#### Lodging of Consent Decree Pursuant to Clean Air Act; R.E.A.G. et al

In accordance with Departmental policy, 28 CFR 50.7 notice is hereby given that on September 28, 1989 a proposed consent decree in *United States v. R.E.A.G. et al.*, Civil Action No. B-87-24 (TFGD), was lodged with the United States District Court for the District of Connecticut. The proposed consent decree concerns a complaint filed by the United States that alleged violations of section 112 of the Clean Air Act, 42 U.S.C. 7412 and the National Emission Standards for Hazardous Air Pollutants ("NESHAP") for Asbestos, 40 CFR part 61, subpart M during the renovation of the former Beverly Theater in Bridgeport, Connecticut. The complaint alleged that defendant NAACO, Inc. ("NACO"), as well as other defendants R.E.A.G., Cristwood Associates, Inc., and AA Building Wrecking Co., Inc., violated the asbestos NESHAP during the building renovation. The complaint sought injunctive relief to require compliance with the asbestos NESHAP and civil penalties for past violations. The proposed consent decree involves only the claims against defendant NAACO. The decree requires the defendant NAACO to pay a civil penalty of \$17,500 and requires NAACO to take affirmative measures to prevent future violations of the NESHAP for

asbestos. These measures include employee training, designation of certain employees to be responsible for regulatory compliance, inspections of job sites, and assessment of removal projects. The consent decree only resolves the liability of NAACO and does not address the portions of the complaint against the other defendants. A consent decree with defendant AA previously was lodged with the court on August 15, 1989.

The Department of Justice will receive for a period of thirty (30) days from the date of the publication comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General of the Land and Natural Resources Division, Department of Justice, Washington, DC 20530, and should refer to *United States v. R.E.A.G. et al.*, D.J. Ref. 90-5-2-1-1078 and specify the NAACO decree.

The proposed consent decree may be examined at the office of the United States Attorney for the District of Connecticut, Room 309, Federal Building, and Courthouse, 915 Lafayette Blvd., Bridgeport, CT. 06604 and at the Region I Office of the United States Environmental Protection Agency, John F Kennedy Federal Building, Boston, MA. 02203-2211. Copies of the consent decree may also be examined at the Environmental Enforcement Section, Land and Natural Resources Division of the Department of Justice, Room 1517, Ninth Street and Pennsylvania Avenue, NW., Washington, DC 20530. A copy of the proposed decree may be obtained in person or by mail from the Environmental Enforcement Section, Land and Natural Resources Division of the Department of Justice. In requesting a copy, please enclose a check in the amount of \$1.20 (10 cents per page reproduction cost) payable to the Treasurer of the United States.

#### [AAG/A Order No. 35-89]

#### Privacy Act of 1974 Systems of Records

Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a) and Office of Management and Budget (OMB) Circular No. A-130, the Department has completed a review of its Privacy Act systems of records to identify minor changes that will more

accurately describe these records. As a result, five Department components are republishing systems of records to make minor changes.

The systems notices are reprinted below following a table of contents, and changes to the systems of records have been italicized for public convenience. Included, for example, are editorial revisions which clarify system descriptions, together with changes to the system location, system manager(s) and address, safeguards, and storage sections of the notices. In addition, each of the following organizations is reprinting a revised appendix of system locations: The Executive Office for United States Attorneys (EOUSA), the Federal Bureau of Investigation, and the United States Marshals Service. Finally, pursuant to 44 U.S.C. 2102, the EOUSA is modifying a routine use. The routine use was originally drafted to permit records disclosure to the National Archives and Records Service (NARS), General Services Administration (GSA), during records management inspections. However, the statute renamed NARS as the "National Archives and Records Administration" (NARA), and established it as a separate agency which nonetheless shares its records management inspection responsibilities with GSA. The routine use has been modified to show that NARA and GSA are separate agencies which continue to share access to records during these inspections. Comments on the routine use may be addressed to Patricia E. Neely, Staff Assistant, Facilities and Administrative Services Staff, Justice Management Division, Department of Justice, Room 529, 633 Indiana Avenue, NW Washington, D.C. 20530. Please submit any comments by November 13, 1989.

Date: October 2, 1989.

Harry H. Flickinger,  
Assistant Attorney General for  
Administration.
