| Foreign Expenses <br> 1 Capital Security Cost Sharing <br> The Department of State (DOS) is in the midst of a multi-year capital security construction program, with a plan to build and maintain new diplomatic and consular compounds that meet security requirements set by the Secure Embassies Construction Act. As authorized by P.L. 108-447 and subsequent acts, "all agencies with personnel overseas subject to chief of mission authority...shall participate and provide funding in advance for their share of costs of providing new, safe, secure U.S. diplomatic facilities, without offsets, on the basis of the total overseas presence of each agency as determined by the Secretary of State." Originally authorized for FY2000-2004, the program has been extended annually by OMB and Congress and has also been expanded beyond new embassy construction to include maintenance and renovation costs of the new facilities also. For the purpose of this program, DOS's personnel totals for DOJ include current and projected staffing. The estimated cost to the Department, as provided by DOS, for FY 2024 is $\$ 73,511,222$. The DEA currently has 758 authorized positions overseas, and funding of $\$ 1,000$ is requested for this account. <br> 2 ICASS <br> The Department of State charges agencies for administrative support provided to staff based overseas. Charges are determined by a cost distribution system. The FY 2024 request is based on the projected FY 2022 bill for post invoices and other ICASS costs. <br> Subtotal, Foreign Expenses | 0 0 0 0 | 0 0 0 0 | 1 <br> 47 <br> 48 |
