He also suggested the Trump team had received some kind of suggestion from Russia that it could assist this process with the anonymous release of information during the campaign that would be damaging to Mrs Clinton (and President Obama). It was unclear whether he or the Russians were referring to material acquired publicly or through other means. It was also unclear how Mr Trump's team reached to the offer. We note the Trump team's reaction could, in the end, have little bearing of what Russia decides to do, with or without Mr Trump's cooperation.
