Hi - It's Alex Pfeiffer from The Daily Caller. Looking at the DOJ and WH statements the two are not on the same page.

2:04 PM

Alex Pfeiffer

2:04 PM

2:04 PM

Alex Pfeiffer

will the doj be appealing the decision?

2:04 PM

Me

I'm in meetings for a lot of today. But We're very much on the same page. If you want a statement, give me a little bit.

2:35 PM

Alex Pfeiffer

Well it's just the DOJ statement doesnt at all suggest that there would be an appeal. They strike completely different tones.

2:36 PM

Me

Our statement was trying to correct the headlines that were blaring incorrect legal analysis

2:43 PM

Me

We're the lawyers

2:43 PM

Alex Pfeiffer

Could you just answer my yes or no question about the appeal?

2:44 PM

Alex Pfeiffer

I just dont see how the two could be on the same page. One statement says we are continuing our efforts the other says the cartels won. I get that on the record you dont want to say there is daylight between you two. I just want to know if the doj is appealing the decision.

Alex Pfeiffer

Hi Sarah - It's Alex from the Caller. Are you free to chat today about something I'm working on?

11:04AM

Me

I'm on a plane--what's up?

11:05AM

Alex Pfeiffer

It's about Paul Ryan's announcement yesterday that the DOJ will hand over docs related to the Steele Dossier after he claimed that that agency was "stonewalling." This announcement came as DOJ allowed that informant to talk which Conway said Trump encouraged. Did the White House also encourage the release of these docs?

11:09AM

Me

Decline comment

11:14AM

Alex Pfeiffer

Even on really vague background attribution?

11:16 AM

Me

As A source familiar: DOJ made the decision independently

11:18 AM

Alex Pfeiffer

Okay thanks.

11:21 AM

Alex Pfeiffer

A "Justice dept source familiar" or "just source familiar"

11:29 AM

Me

Just source

11:30 AM

Alex Pfeiffer

okay sounds good

11:30 AM

Alex Pfeiffer

Would I talk to you about bump stocks? ATF told me to reach out to DOJ.

4:01 PM

Monday, October 30, 2017

Alex Pfeiffer

Are you free to chat about Sessions and the campaign fp team?

3:42 PM

Me

I can't talk on the phone but I can text

3:44 PM

Alex Pfeiffer

How did George Papadopoulos end up on the team? How much did Sessions know about him? And how long did this advisory council exist for?

3:44 PM

Me

I don't know the answer to your first question.

3:46 PM

Me

"Exist" is kind of a loose term

3:46 PM

Me

It met on March 31

3:46 PM

Me
<https://www.google.com/amp/amp.dailycaller.com/2017/08/17/trump-adviser-proposed-meeting-with-russians-during-campaign-but-was-shot-down-by-sessions/> 3:46 PM

Alex Pfeiffer

Yeah I just finished reading that piece. What about the second question? Yeah I get that it only had one meeting but Papadopoulos sent an email to a campaign staffer as late as Aug. 15. So sure one meeting but he stayed with campaign longer. I'm wondering if you know how long. 3:51 PM

Me

I don't know--and AG won't really either. 3:51 PM

Me

But I'm not sure who would--Dearborn? 3:51 PM

Alex Pfeiffer

Okay and second q about how much Sessions knew about him? 3:52 PM

Me

I'm not sure what you mean? 3:52 PM

Alex Pfeiffer

I mean did he know about all these efforts of his to set up meetings with Russia? Did he know about any of those activities laid out in the court doc? Could he recognize Papadopoulos if he walked by him on a sidewalk? 3:54 PM

Me

To your first one--So the story seems to say that GP raised it in the meeting on the 31st and JBS said no. 4:00 PM

Me

As to the last question, I don't know--I'll need to ask him. But off the record given that that March 31 might have been their only face to face interaction, it seems unlikely. 4:02 PM

Alex Pfeiffer

Okay thanks. I appreciate it. I'll let you know if I have any other questions? 4:05 PM

Me

Of course! 4:17 PM

Monday, November 13, 2017

Alex Pfeiffer

2:28 PM

Did you see this nyt report?

2:28 PM

Me

No but we aren't commenting on the race

2:31 PM

Alex Pfeiffer

Understood but you wouldn't shoot down this report? Is this something that AG Sessions could conceivably be down to do?

2:34 PM

Me

Based on the advice of career ethics officials within the department, we don't comment on elections.

2:34 PM

Me

le we really aren't talking about this

2:35 PM

Me

And it sounds like WH sources so I wouldn't know if it's true or not anyway!

2:35 PM

Alex Pfeiffer

Yeah well it takes two to tango no? Sessions would have to go along with the plan. And by "we really aren't taking about this" do you mean you and i or officials?

2:36 PM

Me

I mean we at doj aren't going to comment on any part of this

2:36 PM

Alex Pfeiffer
okay 2:41 PM

Me
For what's it's worth, he has told people he's not interested 2:51 PM

Alex Pfeiffer
Okay thats worthwhile. Has he been saying that recently? 2:53 PM

Me

Yes sorry--turned out only some outlets have nighttime access. Annoying!

10:10 AM

Alex Pfeiffer

Okay no worries. Also thought I should let you know in January I start as an off air reporter for Tucker's show. Basically the idea is to break news so I think that could work well for both of us

10:17 AM

Me

Whoa!! Congrats!!!

10:58 AM

Me

That's going to be great.

10:58 AM

11:40 AM

Me

Sorry!

1:38 PM

Alex Pfeiffer

2:06 PM

Alex Pfeiffer

What docs are being "held back" that some GOP lawmakers are upset about?

2:25 PM

Me

Only the scope memo and only meadows and Jordan have asked for it

2:26 PM

Alex Pfeiffer

That's it.

2:27 PM

Alex Pfeiffer

?

2:39 PM

Me

That's it

2:39 PM

Me

Unless they can point to something else

2:40 PM

Me

The agreement w goodlatte gave them access to the "1.2 million"

2:40 PM

Me

They've had access to the FISAs, EC, and all witnesses they've asked for.

2:40 PM

Me

Then they asked for the scope memo last week and on Monday we said no

2:41 PM

Alex Pfeiffer

Why no?

2:42 PM

Me

It pertains to Ann Ongoing criminal investigation

2:43 PM

Alex Pfeiffer

And House Intel Committee says there are "outstanding document requests for records related to individuals we're investigating"

2:43 PM

Me

When did they say that?

2:43 PM

Alex Pfeiffer

In an email to me

2:43 PM

Alex Pfeiffer

today

2:43 PM

Me

They sent a classified letter a few days ago. We have not responded since it was just sent. I don't think that's reasonable to include since it's an entirely new request and I can't discuss what it is.

2:44 PM

Alex Pfeiffer

Why can't you discuss what it is? How many days is a few?

2:45 PM

Me

Bc they sent it as classified. We didn't make it classified--they did.

2:45 PM

Me

A week or less is my memory. I'd have to check the date. Might have been Friday but could have been earlier last week.

2:47 PM

Alex Pfeiffer

Okay, thanks.

2:49 PM

Alex Pfeiffer

What about the Senate?

3:19 PM

Alex Pfeiffer

They say they are awaiting a return to this letter?

3:19 PM

2018 03 01 RHJ to DAG Wei...

3:19 PM

Me

I don't even remember this one. Let me ask.

3:26 PM

Alex Pfeiffer

Okay, thanks. Have any lawmakers asked DOJ for Carter Page's FISA warrant?

3:33 PM

Me

Maybe this will be helpful: dozens of members and staff from both parties have viewed thousands of classified pages and now House staff--both majority and minority--currently have temporary office space at DOJ to review hundreds of thousands of documents previously reviewed by the Inspector General.

3:35 PM

Me

That first part includes what you're asking

3:35 PM

Me
Hence the dueling memos a few months back now. Last I counted around 19 members have seen that. 3:35 PM

Alex Pfeiffer
Okay but has the FISA application been requested and what has the DOJ done with that request? 3:35 PM

Alex Pfeiffer
19 members have seen the FISA application? 3:36 PM

Me
Yes 3:36 PM

Alex Pfeiffer
Could all of Congress see it? Why doesn't DOJ declassify it for the public? 3:37 PM

Me
The request from the chairman was not to declassify it but for the members of his committee to be able to view it. That has happened. 3:38 PM

Alex Pfeiffer
Okay, so you haven't received any request to declassify it? 3:38 PM

Me
Yes 3:38 PM

Alex Pfeiffer
No, you haven't or no you have? 3:38 PM

Alex Pfeiffer
Sorry, I'm an ass just trying to get clarify 3:39 PM

Alex Pfeiffer
*clarity 3:39 PM

Me
We have no received any requests to declassify it 3:39 PM

Alex Pfeiffer
okay 3:39 PM

Alex Pfeiffer
thanks 3:39 PM

Alex Pfeiffer

What did Meadows mean by this, "Secondly, in his broad description of the FISA process, Mr. Rosenstein forgot to mention that none of the documents produced by his Department to Congress in a recent subpoena request referred or related to the alleged FISA abuses we are investigating. Mr. Rosenstein should remember this, as one of his main responsibilities as the Deputy Attorney General is to supervise the FISA process."

3:47 PM

Me

I don't understand

3:49 PM

Me

What are you asking me?

3:49 PM

Alex Pfeiffer

That is a quote from Meadows yesterday. I'm just curious what he means by Rosenstein didn't produce any documents were related to FISA abuses being investigated.

3:51 PM

Me

They have everything they've asked for related to that. But meadows/Jordan aren't Chairman so sometimes I'm not sure they understand what's been produced.

3:52 PM

Me

Gaetz yesterday said we hadn't produced the 1.2 million but we have

3:53 PM

Me

Also there's a TON of requests and moving parts. So there's always a chance there's something he's referring to that I am not remembering to the best of my knowledge, they've had access to all the fisa material etc.

3:55 PM

Alex Pfeiffer

Okay, got it. Thanks for all the help.

3:55 PM

Alex Pfeiffer

I always tell people DOJ has the best comms team in town.

3:56 PM

Alex Pfeiffer

So you got that going for you

3:56 PM

Me
Awww thanks. I try to call it like I see it. 3:57 PM

Alex Pfeiffer
Just clarification here, that was house intel that had the 19 members view it not house judiciary? 5:15 PM

Me
19 is all members 5:15 PM

Me
Senate house from various committees 5:16 PM

Alex Pfeiffer
Okay, but you said, "The request from the chairman was not to declassify it but for the members of his committee to be able to view it." 5:16 PM

Alex Pfeiffer
So what committee was that? 5:16 PM

Me
That was intel 5:17 PM

Me
So any of them can come view it--just not all have 5:17 PM

Me
Nunes for example has not viewed these documents 5:17 PM

Alex Pfeiffer
Okay. Can DOJ tell us what was generally in the redacted info in the House Intel committee report and on what grounds it was redacted? 5:19 PM

Me
No 5:19 PM

Me
I'd have to refer you to the White House to discuss the redactions 5:19 PM

Alex Pfeiffer
For what it's worth, from freedom caucus spox 5:31 PM

1. The only person we know of that has seen the FISA application is Trey Gowdy. I don't know where she's getting the 19 number.
2. Also, Meadows and Jordan have publicly called for the FISA application to be released dozens of times. I don't know that we've done it in a formal letter, but the implication that we haven't asked at all is still leading.

5:31 PM

Me

1. They're wrong. We log everyone who comes into our scif. So I have the names of all 19 members. I'll share with you as long as you don't share those names with anyone including the people you are emailing with.

5:33 PM

Me

2. Going on tv isn't a request to the department.

5:34 PM

Me

Nunes and goodlatte are the chairmen and we have no such request

5:34 PM

Alex Pfeiffer

Got it, thanks.

5:36 PM

Alex Pfeiffer

Sure, could I see the names of the members. Won't share.

5:38 PM

Me

Sent

5:38 PM

Alex Pfeiffer

One more thing. Meadows spox says, "They also didn't give access to the supporting documents on the FISA application, which the subpoena specifically addressed."

5:48 PM

Alex Pfeiffer

032218_Subpoena.pdf

6:02 PM

Alex Pfeiffer

It is this subpoena

6:02 PM

Me

Whoa. Totally different things here.

6:08 PM

Me
What you just sent me is the subpoena about the 1.3 6:09 PM

Me
And they have access to all of that 6:09 PM

Me
So I'm not sure what supporting docs he's talking about 6:09 PM

Alex Pfeiffer
Well, I just got off the phone with meadows himself 6:11 PM

Alex Pfeiffer
He said, "Just verified that with DOJ, who agreed that requests for FISA related documents is an open request with DOJ." 6:11 PM

Me
On the phone. Hold on. 6:19 PM

Me
Getting the answer on this. But at some point, how do they still have credibility with you after so much of what he has said isn't accurate? The idea that only gowdy has seen it when that's probably false? 6:32 PM

Alex Pfeiffer
Sure, and Meadows just told me that he spoke with someone and said that number could be right...so they backtracked 6:32 PM

Alex Pfeiffer
But I don't think the 19 point is making the script 6:35 PM

Alex Pfeiffer
Nor their contention about that 6:35 PM

Me
I'm with the person meadows spoke to. The FISA related documents have been seen by the 19. What meadows asked him was about declassifying and he said he wasn't aware of any, and then he said there were a lot of requests for FISA related documents. But meadows didn't ask if any were outstanding. And none are. 6:38 PM

Me
Happy to put you on the phone. Meadows is not aware of these things bc he's not a chairman. 6:39 PM

Alex Pfeiffer
Okay, thanks so he's lying. FWIW, the script will be at 35,000 feet 6:39 PM

Me
So he just doesn't know what all has been provided and to whine 6:39 PM

Alex Pfeiffer
and not mention Meadows 6:39 PM

Me
*whom 6:39 PM

Alex Pfeiffer
Would Rosenstein or Sessions have had to sign off on this Cohen wiretap if it hypothetically happened? Or just a judge on this case? How exactly does it work? 2:58 PM

Me
I'll call u 3:01 PM

Alex Pfeiffer
Okay 3:01 PM

Alex Pfeiffer
I'm free whenever you want to call 4:37 PM

Alex Pfeiffer
well guess this was all a moot point 5:14 PM

Alex Pfeiffer
Would a pen register be different than a search warrant for a cell phone? 5:32 PM

Me
Yes much lower standard--it looks like a cell phone bill 6:02 PM

Me
Just numbers, dates and length of call 6:02 PM

Alex Pfeiffer
Got it thanks 6:03 PM

Me
The standard is that "information likely to be obtained is relevant to an ongoing criminal investigation" 6:04 PM

Alex Pfeiffer
Thanks. Does a judge need to sign off? 6:04 PM

Me
Yes 6:04 PM

Me
18 USC 3123 6:05 PM

Great, I appreciate it. 6:05 PM

Alex Pfeiffer
<https://twitter.com/OrinKerr/status/992162629903728645> 6:08 PM

Alex Pfeiffer
is he off base? 6:08 PM

Me
It doesn't require probable cause 6:08 PM

Me
But of course a judge can say no what would be the point otherwise? 6:08 PM

Me
I assume he's saying if you meet the standard 6:08 PM

Alex Pfeiffer
Got it. 6:09 PM

Alex Pfeiffer
Sorry, I'm not a lawyer 6:09 PM

Alex Pfeiffer
Not even a college graduate 6:09 PM

Alex Pfeiffer

So im just uh playing catch up here

6:09 PM

Me

Hahah! I'm checking but I think I don't see how I can be wrong

6:09 PM

Alex Pfeiffer

Okay, great.

6:09 PM

Me

Can't find anyone but the code says "shall enter" if you meet the standard

6:13 PM

Alex Pfeiffer

Okay so basically you that the info is relevant to a crim investigation and it gets approved?

Yeah

6:14 PM

orrin just said the same thing so we're all good

If they have something sufficient I'll hold ours for the AGs religious liberty speech Monday am. If it's not or they aren't ready in time, you'll have something from me.

7:11 PM

Alex Pfeiffer

Do they know they should get it to us real soon?

7:15 PM

Me
Oh I've told them 7:15 PM

Alex Pfeiffer
If they are going to deny that quote outright it will lead to us re writing scripts and banners 7:15 PM

Alex Pfeiffer
which we would need time to do 7:15 PM

Me
Feel free to ping both of us again--won't bother me:) 7:15 PM

Me
Give 730 deadline 7:15 PM

I'll respond that you'll have something from doj by then 7:16 PM

Could help if you know what I mean 😊 7:16 PM

Alex Pfeiffer
Just sent one! 7:17 PM

Alex Pfeiffer
Can I not see the DOJ statement until the FBI sends theirs? Is it like a contingency plan? ahah 7:26 PM

Me
Lol this is a mess. You'll be getting two statements. 7:30 PM

Alex Pfeiffer
ahah Okay, that's fine. Are you waiting for (b)(6) to send her's or can I see it now? 7:30 PM

7:32 PM

Sunday, July 29, 2018

Okay. Well I'll tune in to the livestream!

we are going against the criminal sentencing bill tonight on show

2:57 PM

Alex Pfeiffer

with a debate thought you guys would want heads up

2:57 PM

Me

Which one?

3:11 PM

Alex Pfeiffer

the grassley/durbin one...criminal sentencing reform act of 2017

3:15 PM

Alex Pfeiffer

the ag opposed the past version when he was in the senate

3:16 PM

Alex Pfeiffer

has he made a public stance on this new one?

3:16 PM

Alex Pfeiffer

nvm he commented in february

4:46 PM

Alex Pfeiffer

the bill hilariously lowers mandatory minimum for importing heroin on a submarine

4:46 PM

Me

That feels bizarrely specific

4:46 PM

Me

It still kills people in the same amount regardless of how you smuggle it!

4:47 PM

Alex Pfeiffer

well it is for a law regarding "vessels" which includes subs! it is the most salacious way to cover crim justice reform which is often too boring!

Hi- totally separate from our visit- any update on that letter?,

1:34 PM

Me

Which letter?

3:03 PM

Brooke Singman

The second special counsel

3:26 PM

Me

We aren't going to say anything further from the letter and his testimony on that

3:33 PM

Brooke Singman

Copy that! It's all in OIG hands right?

3:42 PM

Me

?? Oig has an investigation into comeey.

4:47 PM

Brooke Singman

Right... But that letter said OIG would be weighing whether to expand scope of their probe to cover Clinton uranium one etc... And senior prosecutors would look into issues raised by congress and determine whether a special counsel was needed?

5:07 PM

Me
I don't think we said anything about oig expanding. We don't control that. 5:08 PM

Me
The latter part is correct but we aren't providing any further updates on that. 5:08 PM

Brooke Singman
Yes- last 3 paragraphs of letter were referencing IG. But understood on 2nd part! Thank you 5:09 PM

Me
Correct--we referenced oig but just the factual statement of what they announced they were looking at. Not whether oig would be expanding. 5:10 PM

Brooke Singman
Copy copy. Okay thank you! Sorry to be such a pain 5:10 PM

Hi Sarah... it's David Clark at Fox (b)(6)

9:17 AM

Me

Shoot me a text about what you need?

10:18 AM

David Clark

We have Issa on at 10:30 this morning. Nothing particular - all the usual stuff. But just in case he says something you want to respond to.

10:20 AM

Me

Appreciate it! Here's what I sent around last night to other fox folks: The Department always seeks to respond to congressional requests quickly while protecting the safety of the American people against foreign threats and maintaining the integrity of ongoing criminal investigations and prosecutions.

Not for attribution, I would note that goodlatte and nunes have both put out statements in the last month that say they are satisfied with how things are going on their request. Also all the reporting Jake has sent around should describe in detail all that we have provided--thousands of pages of classified documents and hundreds of thousands of requested records. Dozens of members have seen these documents, including everything they've requested related to FISAs and the EC.

10:21 AM

David Clark

Thanks

10:24 AM

David Clark

Please include me on anything you think newsworthy on the weekends! Many thanks.

Maria has Devin Nunes on at approx. 1015am. Also Scalise and Conway and Thornberry.

8:56AM

Me

Earlier in the week (Tuesday), we offered a meeting for Friday morning w the dag, FBI director, and senior IC staff. Nunes never responded to our invite.

9:30AM

David Clark

Thanks

9:31 AM

Me

At our last meeting remember he put out a statement after saying it had been productive and he left us with specific questions he wanted answers to. We were prepared to answer those questions on Friday with the heads of these intel agencies.

9:42AM

Me

He also said on Tuesday on fox and friends that he had accepted a meeting with us--but he had not and never communicated back to us

9:42AM

Me

Important side note: mark meadows has said that a justice official told him we weren't going to "give over the documents"

9:43AM

Me

But a) meadows isn't on this committee and b) the "justice official" he spoke to is in the leg shop but doesn't work on this issue and just told him (in text so I've seen it) that he couldn't confirm whether we were giving them documents or not

9:44AM

Me

Thanks for passing this along!

9:44AM

David Clark

Thx

9:47 AM

David Clark

Any official response to the latest Trump tweet on the "surveillance?"

1:59 PM

Me
Roger. Working on it. 2:00 PM

David Clark
Thx 2:00 PM

David Clark
Can you please send me the same statement you sent Jonathan Swan? (b)(6) We are on air with this story in 10 minutes. 5:49 PM

Me
Jake has it 5:53 PM

Me
From me: The Department has asked the Inspector General to expand the ongoing review of the FISA application process to include determining whether there was any impropriety or political motivation in how the FBI conducted its counterintelligence investigation of persons suspected of involvement with the Russian agents who interfered in the 2016 presidential election. As always, the Inspector General will consult with the appropriate U.S. Attorney if there is any evidence of potential criminal conduct. 5:53 PM

The Deputy Attorney General issued the following statement: "If anyone did infiltrate or surveil participants in a presidential campaign for inappropriate purposes, we need to know about it and take appropriate action."

David Clark
Got it from Jake. Thanks so much. 5:53 PM

Sunday, June 3, 2018

David Clark
Devin Nunes will be on Maria Bartiromo's show 10-11am this morning. 9:22AM

Sunday, June 17, 2018

David Clark
Call me (b)(6). David Clark Fox News 9:16AM

Me
Just seeing jakes texts to me on same topic I assume 9:41 AM

Me
I guess my only push back is which documents? They got the gang of 8 documents on Thursday again. The goodlatte 1.2 million (which is the IG stuff) they have house staff working at doj to go through them so the pace is largely on them. So which docs is this about now?
9:49AM

David Clark
We'll see in a few minutes when Nunes is on. I don't want to give you wrong info.
9:53AM

Me
I'd have Maria push him on that otherwise they just keep saying "we want documents" and it doesn't make any sense
9:55AM

David Clark
Yup
9:56AM

Me
Also on the missing text, the IG gave us the texts. We didn't withhold it.
9:57AM

Me
The IG only found that text in may. Flagged it for us on June 8.
9:57AM

Me
Just want to be clear doj and FBI didn't fail to turn it over
9:57AM

Me
It's clear in the report how he got it so late
9:58AM

David Clark
Thx

been nothing about a phone call. 9:07 PM

I KNEW this went back well before April 25.... 🤖

2:08 PM

Me

What did?

2:09 PM

John Roberts

Comey firing. The other Sarah just said he's been thinking about it a longggggg time

2:10 PM

John Roberts

All the way back to during the election.

2:42 PM

Me

Oh yeah that makes sense

4:02 PM

John Roberts

Hey...we have rock solid sources saying Comey asked for "more resources" for Russia investigation.

4:53 PM

Me

There was a meeting on Monday march 1. That was the last meeting. 4 people were in it. I've talked to 2. It didn't happen.

4:54 PM

Me
Off the record--I'm not doubting what comey may have told the hill.

4:55 PM

Me
But that's hearsay from what he may have told Rosenstein.

4:55 PM

John Roberts

We're being told that Warner and Burr pressured Comey to speed up the Russia investigation and that he went to Rosenstein this past Monday to ask for more resources.

4:56 PM

John Roberts

Hey...need a quick call

5:40 PM

John Roberts

Hey...BG...did Rosenstein threaten to resign in Tuesday when he was cast as the impetus for the firing?

11:52 PM

Me
Off the record--they reached out a couple minutes before they posted with an anonymous source and rods asleep so can't deny it. I think it's crappy journalism. Call the White House--I'm confident they'll firmly push back.

11:57 PM

John Roberts

Where's that statement? CNN story hit

8:07 PM

Me

I sent it to you! Our email has been buggy.

8:08 PM

Me

On the record from me:

The Department of Justice appointed special counsel to assume responsibility for this matter.

We will allow him to do his job. It is unfortunate that anonymous sources whose credibility will never face public scrutiny are continuously trying to hinder that process by peddling false stories to the mainstream media. The facts haven't changed; the then-Senator did not have any private or side conversations with any Russian officials at the Mayflower Hotel.

Hey there. Do you have that backgrounder you sent out late last night? Thx

8:13AM

Me

Background from a senior Department official:

>

> Tomorrow, the Department and FBI will be extending an offer to the Gang of Eight to further brief members and again provide the opportunity to review certain supporting documents that were made available during the prior briefing on May 24.

>

> The Department and FBI are prepared to brief members on certain questions specifically raised by the Speaker and other members. The Department and FBI will also provide the documents that were available for review but not inspected by the members at the previous briefing along with some additional material. The briefing is expected on Monday or Tuesday, depending on members' schedules.

8:26 AM

>

> The Department and FBI believe it can provide information that is directly responsive to congressional inquiries in a manner that is consistent with its national security and law enforcement responsibilities, and is pleased to do so.

>

> Although the Department and FBI would have liked to provide this information as early as this week, officials have taken a little additional time to provide the most fulsome answers to the members' questions as possible. The Department and FBI take congressional inquiries seriously and believes that the documents provided next week will be valuable to the Gang of Eight.

Any updates from your end?

1:48 PM

Justin Wells

Hi! We should be good to go. I have everything approved, so we're just working out a few logistics on our end.

2:03 PM

Justin Wells

Let me know when you have a sense of the return on Friday, so we can figure out whether it makes sense to stay with you all.

2:04 PM

Me

Working on line by line now. I think this will be a good schedule for y'all. I'll try to put as much as possible on Thursday in case y'all want to fly back earlier Friday.

2:04 PM

Justin Wells

That's perfect!

5:10 PM

Justin Wells

Thank you

5:10 PM

Monday, July 17, 2017

Me

So. Looking like some chance potus wants to go to Long Island w AG to do ms13 even on the 28, which would bump our trip up a day to 26/27. On the other hand, could mean y'all get to fly on AF1 to Long Island and cover potus ms13 event too. Won't know for sure until later tonight but wanted to reach out and see if this is even an option for y'all.

8:20 PM

Justin Wells

Sure we might be able to swing that

8:21 PM

Justin Wells

That could be really cool

8:21 PM

Justin Wells

I'll mention to Tucker after the show

8:21 PM

Justin Wells

And I'll work on logistics on our end

8:21 PM

Justin Wells

We're also looking to see if it's possible to have Tucker host his show while we are in El Salvador. There is an AP studio that may be able to accommodate it. The President of Fox asked me to check on it. We're doing a test tomorrow with them.

8:23 PM

Me

Neat!

8:23 PM

Justin Wells

I'll keep you posted. If that's the case we could probably start airing the trip by at least Thursday building up to the Trump visit to LI.

9:15 PM

Me

Ok. Hopefully I'll have confirmation later tonight--fingers crossed. If not in the am.

9:15 PM

Justin Wells

Is it okay for me to talk to Hope at the WH about it. "We hear you may be doing this - how about making it a big deal and give Tucker some time with the President as well"
If you would rather I don't - that's okay. But it would probably push them in the direction of doing it to be honest. Up to you if it's helpful - if not my lips are sealed but we have a good relationship with them.

9:17 PM

Me

Hold off until I have a final thumbs up. Then for sure--and I'll help push it too.

9:18 PM

Justin Wells

Fantastic

9:21 PM

Tuesday, July 18, 2017

Justin Wells

Any word yet?

9:39 AM

Me

WH says we'll have an answer by noon. If for any reason we don't, we're going to move the trip up a day assuming y'all can still come.

9:43 AM

Me

Embassy concerned about safety of personnel. So you and I should talk about how best to protect personnel in b roll etc.

9:44 AM

Justin Wells

Ok, can the FBI provide some additional security and then we'll lump on some additional 3rd party security for our folks approved. Y the FBI possibly?

9:46 AM

Me

You're on an email w (b)(6), (b)(7)(C) per FBI about that right? I don't know the rules around FBI protection but I didn't think they could protect anyone other than the AG on these trips.

9:57 AM

Justin Wells

Yes. We're working with those guys.

3:21 PM

Justin Wells

Any word on Trump and whether the trip is officially moved up a day?

4:12 PM

Me
I think we're going to hold for the dates we have. Looks like potus trip may happen without us. Like pulling teeth to get anything definitive. But at this point, we're assuming we'll hold with our current dates.

5:46 PM

Justin Wells

I know how the WH is - trust me - I hear you :)

5:47 PM

Justin Wells

So we can't host from El Salvador unfortunately. Test didn't go well today

5:47 PM

Justin Wells

Do you know when you'll be back in DC on Friday?

5:47 PM

Justin Wells

Was hoping we'd be back so Tucker can make the show on Friday and we don't miss any of the trip.

5:48 PM

Justin Wells

But if we aren't back in time then we may have to miss some of Friday and fly to Miami or something to make the show

5:49 PM

Me
So my plan is to make sure y'all have everything by Friday am-- which will really just be the sit down w the AG. And then you'll be able to leave without missing anything too great.

5:51 PM

Me
So front load all the cool stuff on Thursday

5:51 PM

Me
And then you might miss the northern triangle AGs meeting on Friday but that's not the end of the world--can always mention it without broll.

5:52 PM

Me
I think you'll be cutting it close staying with us

5:52 PM

Me
We're still finalizing the lunch for Friday but that time change kills us on the way back

5:52 PM

Me
So we're looking at an 8ish arrival is my guess which won't work for y'all. 5:53 PM

Justin Wells
Yeah, that's just a bit too late. If you were back around 5:30/6 latest - I think we'd be okay 7:36 PM

Me
Exactly. So y'all probably should get commercial flight back. 7:36 PM

Justin Wells
We could leave for D.C. at 8am Friday or leave for Miami at 12:16pm. Is there we'd be missing early Friday morning? 7:40 PM

Me
I think that's the best time to do a sit down w the AG at the citadel--after we do all the briefings on Thursday 7:40 PM

Justin Wells
Early Friday? 7:41 PM

Justin Wells
Like 8am 7:41 PM

Me
Scheduled right now for 9 but could move it to 8 or even 7 if that would help 7:41 PM

Justin Wells
And then we'd head to the airport for Miami 7:42 PM

Justin Wells
Okay. That sounds like it could work 7:42 PM

Justin Wells
I may keep my camera crew with you guys if that's okay. They can shoot any broll of the rest of the trip 7:42 PM

Me
If we tried to do it Thursday, our options would be to do it at night in the hotel after a long day or do it in the am before we've done anything yet on the ground 7:43 PM

Me
Yeah that works very well 7:43 PM

Me
And then we'll need to think through how to protect people's faces and things in the broll 7:43 PM

Justin Wells
Do you have a tentative schedule you can send along? 7:43 PM

Justin Wells
Yes-absolutely re: faces 7:43 PM

Me
Yeah--will send in am... 7:43 PM

Justin Wells
Fantastic. 7:44 PM

Thursday, July 20, 2017

Justin Wells
Definitely watch Tucker tonight 7:10 PM

Justin Wells
After the first commercial. Good commentary on the AG. 7:10 PM

Friday, July 21, 2017

Me
Wow--thank you. Showing the ag this am! 7:34 AM

Justin Wells
Fantastic! 10:57 AM

Justin Wells
We've had a very positive response. And Trump supporters can be very prickly/defensive but we've gotten an overwhelmingly positive response. 10:58 AM

Me
I'll definitely let him know. What a strange circumstance. 11:11 AM

Me
FYI this story is bullshit--they're headline says campaign related and then the story says us-Russia relations?! Thats not campaign related! What else would you talk to the Russian ambassador about?! 10:21 PM

Justin Wells

Good to know officially. Though I assumed so. A lot of these stories don't hold up. The real story is the leaking.

10:40 PM

Me

Yes--and they won't actually show anyone the intercept

10:40 PM

Me

Which means it must undermine itself. The "source" is always the one characterizing this same intercept over and over with more and contradictory details.

10:41 PM

Justin Wells

If he did say something it would be a casual "the campaign trail is rough"

Something innocuous. Certainly Jeff Sessions wasn't trying to undermine the election. That's ridiculous. Any sensible person should see that. He was a US Senator and SHOULD be talking to ambassadors. It's all so silly.

10:44 PM

Me

It's bizarro world

10:45 PM

Monday, July 24, 2017

Justin Wells

So things got a little more interesting this morning

5:09 PM

Justin Wells

I assume the trip is still on, right?

5:09 PM

Justin Wells

Off record- is he going to resign? I certainly hope not.

5:09 PM

Me

Nope

5:50 PM

Justin Wells

So the trip is on and he is not resigning. (I realize I asked two yes/no question)

5:57 PM

Me

lol yes

6:24 PM

Justin Wells

Haha. Good!!

6:30 PM

Tuesday, July 25, 2017

Justin Wells

So I hate to ask each day...

2:17 PM

Justin Wells

But are we still a go for Thursday?

2:17 PM

Justin Wells

Just trying to figure out logistics on our end

2:18 PM

Me

Yes we are

2:22 PM

Me

I'd imagine a go no go will happen tomorrow afternoon

2:22 PM

Justin Wells

Ok great. Hopefully it's a go!

2:22 PM

Justin Wells

This is all insane btw. Never seen anything like it

2:23 PM

Justin Wells

Not that you don't have more pressing matters- but what kind of wardrobe will the AG be in?

6:44 PM

Justin Wells

More casual Thursday and Jacket Friday?

6:44 PM

Me

Suits but he'll take off his tie after embassy on thurs

6:44 PM

Justin Wells

Just curious so I match Tucker appropriately

6:44 PM

Me

Yeah exactly

6:44 PM

Me

I'm very torn on what to wear myself

6:44 PM

Justin Wells

Me too!

6:45 PM

Me
I'm a dress and heels person and they've cautioned me against either

6:45 PM

Me
They basically told me burka

6:45 PM

Justin Wells

Ha!

6:45 PM

Justin Wells

It's so tricky. And it'll be hot, humid and probably raining.

6:46 PM

Me
Perfect. But anything is better than this town;)

6:46 PM

Justin Wells

That's for sure right now

6:56 PM

Justin Wells

I had an idea I wanted to run by you- obviously, we are going to have to ask about this Trump situation at some point. Here's my thoughts - we do that on the way or right when we arrive. Obviously, you guys are going to say - we're focused on achieving Trump's agenda, hell, we are down here dealing with MS13. I think we do that little bit and Tucker is going to do a live hit for his show and we'd run that Thursday night and tease that the following week we will have a weeklong series with Sessions on MS-13. It gets the Trump stuff in the rear view mirror Thursday. And then by us running a piece from the trip every night the following week - the Trump situation doesn't drown out the actual trip. We get that on the air Thursday (or Friday night) and then the following week the focus is on MS-13 - so all the Trump stuff won't overshadow the trip.

11:00 PM

Justin Wells

Let me know what you think and we should discuss on the phone or in person but I've been thinking a lot about it and it's probably the smartest way to handle it. We obviously have to ask about the Trump situation but I don't want it to overshadow what we are actually doing down there. So that separation might be the best way to go.

11:02 PM

Me
Let's see how tomorrow goes for a bit. But I hear you. 11:04 PM

Justin Wells

Also, We're doing a full court promotional press on the MS13 trip for the weeklong series - even advertising outside of Fox News. It'll certainly help reset everything next week. How the hell can Trump keep attacking when you've got a weeklong series showing Sessions getting real work done. This is all off the record between us but just my take. 11:04 PM

Me
Amazing!!! 11:05 PM

Justin Wells

Ok, you never know what tomorrow brings. Seriously. Tucker was on board with my strategy too if you guys are game. 11:05 PM

Justin Wells

Hey Sarah 7:40 PM

Me
Hey 7:41 PM

Justin Wells

So we haven't heard from Sila yet about a contact for the prison tour we are doing at the end of tomorrow. I think the embassy is arranging? 7:41 PM

Justin Wells

Do you have any idea who we should go to for that? 7:41 PM

Justin Wells

Just want to have my security folks be able to advance it, etc. Looking forward to tomorrow. 7:42 PM

Me
I talked to Silas this afternoon and he was rearranging stuff to make sure y'all could do prison and everything else 7:42 PM

Me
I think I may come with y'all if there's room for me and another one of our guys 7:42 PM

Justin Wells

Oh great!

7:43 PM

Me

He's calling you now

7:50 PM

Me

I think it's a good plan

7:50 PM

Justin Wells

Sounds like everything is worked out. Perfect.

Justin Wells

I'm thinking I'd probably rather keep the prison to just Fox and not AP

11:30 AM

Justin Wells

That okay?

11:30 AM

Me

Yep

11:31 AM

Me

Tota y

11:31 AM

Justin Wells

Thank you. Would be nice to keep that part exclusive.

12:10 PM

Me

No prob

12:10 PM

Justin Wells

Our embassy escort started making everyone nervous about the prisons but she may not have been advised or even knew what prison was scheduled. If we feel we have adequate protection (which I think we do) and everyone signs off that it's safe with the earlier time - I think its worth trying to do.

12:42 PM

Me

Zach seems to think we're fine.

12:44 PM

Me
But it's definitely not as safe as in the AGs bubble 12:44 PM

Justin Wells
Cool. Zach is the FBI assessment or state dept? 12:46 PM

Me
Ok my guys are now flipping out 12:46 PM

Me
My detail guy isn't going to let me go 12:47 PM

Me
(b)(7)(E) 12:48 PM

Me
So it's y'all alone now. Entirely your choice whether to go. 12:48 PM

Justin Wells
Ah man. Do they think it's safe for us (b)(7)(E) 12:49 PM

Justin Wells
Would there be anything to see if we simply walked the outside of the prison and didn't go in? 12:50 PM

Justin Wells
We have her MICd up so we can crank up her microphone. 1:40 PM

Me
Nice 1:40 PM

Me
Sending detail down now to look for a place they are good with 1:58 PM

Justin Wells
It's nice 2:01 PM

Justin Wells
Seeing if the shots look good 2:02 PM

Justin Wells
Looks good 2:03 PM

Justin Wells

We can say we're outside the embassy. Some nice plants and in the shade

2:03 PM

Justin Wells

Security approved

2:04 PM

Justin Wells

4:17 PM

Me

It's unreal

4:17 PM

4:18 PM

He's the most talented broadcaster and interviewer I've ever worked for

4:18 PM

Me

4:18 PM

Me

That took my breath away

4:18 PM

4:18 PM

Do you think we'll pick up some time

5:04 PM

8:27 PM

8:27 PM

Justin Wells

Tucker and I talked through that entire opening

8:27 PM

Justin Wells

We were happy with it

8:27 PM

Me

Seriously. Thank you for putting this all together. Dealing w the security. And just being delightful to work with.

8:28 PM

Me

I'm in your debt.

8:28 PM

Me

And given our conversation on the plane, please let tucker know that we understand his role in all of this.

8:28 PM

Me

I feel a weight has been lifted

8:29 PM

Justin Wells

Ah man, so glad to hear that.

9:46 PM

Justin Wells

It's been fun working with you, too!

9:46 PM

Justin Wells

What time is the interview tomorrow and do you know the location? 9am may be a little tight for us to catch a 12:16p flight to Miami.

9:47 PM

Me

I don't have my schedule on me

9:48 PM

Justin Wells

No worries. Not immediate but I don't see the specifics on mine

9:48 PM

Me

Saturday, July 29, 2017

Justin Wells

Hope you made it back safely to the East Coast. We got some great stuff and we're looking forward to putting it all together for next week. The weight is fully lifted I think. Between what we all did - and what's now happening - I think you guys are in the clear to just do good work. 🙌

8:56 PM

Justin Wells

Fun working with you all - let's do more of these soon. Have a great weekend and finally get some sleep!

8:56 PM

Me

Lord willing. Thank you for making the trip and for all the help this week besides.

8:57 PM

Wednesday, August 2, 2017

Justin Wells

What do you think of the series so far? Tonight we're airing the detention center part which includes that bit with the AG. On Thursday we are airing the full air down with him. Trying to draw the viewers in with the stories on the ground first - and it's working. We've gotten a tremendous response. The audience is very engaged in MS-13.

10:23 AM

Me

We've all been riveted! The team watches it together :)

10:23 AM

Justin Wells

I love that! For instance- the gang member last night was posted on Facebook this morning. It's averaging 100k views an hour. That's insane.

10:25 AM

Me

Wow!! That really is something. I'll definitely be telling the AG that and he'll be like "people watch this stuff online?" Ha!

10:25 AM

Justin Wells

Ha! One of my Senior Producers has a bunch of teenage kids. They were playing video games last night and put down the controllers and walked over and watched in complete silence last night. Totally griped and unprovoked to watch. Sometimes when you're so invested in a story - you're not sure how it will resonate. But I think MS-13 is becoming "a thing" with Americans. I'd definitely suggest you guys should stay on it. More interest than I even expected.

10:30 AM

Me

That's very very good to know

10:31 AM

Me

Btw remind me to send you contact info for the parents whose 15 year old girls were murdered by ms13 in Long Island. I found them incredibly compelling. Could be a good interview for next week as a follow up.

2:53 PM

Justin Wells

That would be fantastic. Thank you!

3:17 PM

Sunday, August 13, 2017

Justin Wells

Hey! I hear the AG will be on all the broadcast networks to discuss Charlottesville on Monday. Can he do Tucker exclusively/first among the cable networks? :)

8:17 PM

Me

We probably aren't doing any cable. And might need to do literally any other show other than yalls since we haven't done any others. But noted:)

8:24 PM

Justin Wells

If you're doing broadcast - then you have pretty good cover by doing us since we're #1 in primetime on cable and still beat many of the broadcast networks at that time. Just remember we'll be the most eyeballs you'll get overall. 👍 and probably the largest base from your base 🤔

8:29 PM

Justin Wells

I know I sound ridiculous But from your perspective it's something to think about...

8:31 PM

Justin Wells

Think**

8:32 PM

Me

You know id always prefer to do your show for any number of reasons--audience size and caliber being two of the top!

8:33 PM

Justin Wells

So does that mean we have a shot at doing something tomorrow :)

8:38 PM

Me

No

8:39 PM

Justin Wells

Ok, I appreciate that!!

8:40 PM

Justin Wells

I get where you're going with this. Off record, what's the AG's message?

8:41 PM

Justin Wells

I want to book the right people and if I have a sense we will probably do a better job.

8:44 PM

Me

No stone unturned when it comes to the investigation--hate crimes, terrorism, etc.

8:19 PM

8:19 PM

Justin Wells

8:19 PM

I can't confirm or deny investigations. But off the record, I can waive you off.

8:19 PM

Justin Wells

Thank you

8:22 PM

Sunday, October 29, 2017

Justin Wells

Hey, I hope you're well. Throwing this out there— is there any reason for the AG to join Tucker tomorrow? Obviously, he can't speak to specifics of the investigation or specifics of any indictments - but perhaps he could speak to the independent nature of the Mueller investigation and give some perspective. Just a thought.

Jake Gibson
JG Jihan is denying the Grassley thing 5:42 PM

Laura Jarrett
LJ Shulkin for sure 5:42 PM

Jake Gibson
JG Roberts says people are telling him its bloodletting week 5:43 PM

Me
Shulkin seems worse off than we even were in July. 5:43 PM

Me
I just can't tell how real any of this is. Could be usual chaos narrative getting all of us spun up. 5:44 PM

Laura Jarrett
LJ Well... WH has a role to play in some of the rumors on McMaster and Shulkin. AG in a different boat is my understanding. Koch Bros pushing Pruitt as well behind scenes apparently... 5:45 PM

Jake Gibson
JG Koch bros????!!!! 5:45 PM

Me
Makes sense 5:46 PM

Laura Jarrett
LJ Apparently big Pruitt donors but I don't have that firsthand 5:46 PM

Me
Makes sense--Oklahoma (beat Kansas) 5:47 PM

Laura Jarrett
LJ That's a good sign! Let us know when safe to report 1:57 PM

Jake Gibson
JG Can we report that a trip is in the works? 1:58 PM

Me
But I don't know whether we are going so no 1:59 PM

Jake Gibson
JG Okay 1:59 PM

Jake Gibson
JG Thanks 1:59 PM

Friday, March 16, 2018

Laura Jarrett
LJ Whenever you have a sec, if we can confirm AG traveling with POTUS Monday that would be helpful, understand you are busy 2:55 PM

Jake Gibson
JG Yes and please and thanks! 3:05 PM

Me
Traveling to NH or literally on AF1? 3:39 PM

Laura Jarrett
LJ Whatever is most accurate. Just good to get out there they'll be together if we can. If not buttoned down yet can always wait too. 3:40 PM

Jake Gibson
 JG If traveling to NH separately and appearing with Trump.... that's good to report too 3:53 PM

Saturday, March 17, 2018

Me
 Note not for attribution: remember DOJ interviewed other potential acting directors for the FBI post Comey. WH picked McCabe. 3:37 PM

Jake Gibson
 JG Ha! 3:38 PM

Me
 Just anticipating some Fox coverage;) 3:38 PM

Laura Jarrett
 LJ Oh yeah I forgot about that! 3:38 PM

Off the record--nobody else in the room backs that up and recusal is a formal process so if he had revised himself it would be foiable. So me telling you he's not recused is something that would be disprovable if I weren't telling the truth. 4:31 PM

Gaetz just misheard him or something. But he needs to stop with it. 4:31 PM

Did u see he Jordon exchange

1:27 PM

Sean Hannity

This is awful

1:27 PM

Me

Yes I'm here

1:27 PM

Me

I think you misunderstood what he said

1:27 PM

Me

He was stating the legal standard for a special counsel

1:28 PM

Me

Not whether the standard was met

1:28 PM

Me

""Looks like' is not enough basis to appoint a special counsel"

1:28 PM

Me

Meaning it has to meet the legal standard in the reg and "looks like" isn't enough

1:28 PM

Me

But there could certainly be enough but he isn't commenting on that

1:29 PM

Me

Also where did you get the idea there wasn't an investigation?

1:29 PM

Sean Hannity

There was nothing said about the serious and significant need for a thorough investigation

1:30 PM

Tomorrow hard 8:54 PM

Me
The Department has provided members of HPSCI and House leadership with any number of documents and multiple briefings related to this matter—including the documents related to any FBI payments that may or may not have been made to the source in question—and has more recently cleared a key witness they have requested to testify. And the members who have chosen to attend those briefings should have a clear understanding of the facts surrounding this matter. 8:58 PM

Sean Hannity
Things need to move imho. All have lingered forever 8:59 PM

Me

(Sarah from doj) 7:49 PM

Sean Hannity
I'll try. Hang. Can u help
Me at all with what's going on 7:59 PM

Me
Roger thanks. Yeah making some progress tonight and want to tell
nunes. Ryan meeting was helpful actually. 8:00 PM

Sean Hannity
With Rod? 8:00 PM

Sean Hannity
Can u talk 8:01 PM

Me
Not quite yet. In w a bunch of folks. 8:01 PM

Sean Hannity
K 8:01 PM

Sean Hannity
You can't talk before my show? 8:21 PM

Sean Hannity
I can tell u a lot of people suspect the worst 8:22 PM

Me
Trying to talk to nunes. If you can talk to him, tell him we're trying
to give him good news. 8:22 PM

Sean Hannity
There is a lot of suspicion. Will everything be handed over by
midnight? 8:23 PM

Me
Off the record: nunes ignoring our calls for last hour plus. We just
got an email from a staffer that said they wanted to call it a night
and deal wét in the am. So...I guess they don't want to come over?
We aren't sure what's going on. 8:25 PM

Sean Hannity
In a word. Trust 8:26 PM

Me
Yeah but how can we provide him what he asked for if he won't answer our calls to tell him to come over? 8:27 PM

Me
We're trying to give him what he asked for--but not sure how to do that in a literal sense if he won't communicate w us. 8:28 PM

Sean Hannity
I've tried to communicate to you how many people feel as it relates to everything I talk about every night. 8:28 PM
The number one question is always; Why is nothing happening over there

Me
So he doesn't want the documents? What does he want? 8:28 PM

Sean Hannity
Can u talk? 8:31 PM

Me
Yes 8:31 PM

Me
Dag and nunes just spoke. Will try to get you more shortly. 9:24 PM

Sean Hannity
It's next segment in 5 minutes 9:25 PM

Me
My understanding is nunes is putting out a statement. So I'll leave to him. 9:28 PM

Sean Hannity

Important

2:00 PM

Me

Yes?

2:01 PM

Sean Hannity

R u hearing anything about a second SC

2:01 PM

Me

No I'm not

2:02 PM

Sean Hannity

Anger is palpable

6:43 PM

Wednesday, March 14, 2018

Sean Hannity

Is McCabe getting fired?

5:03 PM

Me

Process includes an internal hearing. Until that happens it can't happen.

5:03 PM

Sean Hannity

Is there a date set for hearing

5:04 PM

Me

This week

5:09 PM

Sean Hannity

When is IG

5:45 PM

Sean Hannity

Report

5:45 PM

Me

Don't know. That's an IG question unfortunately .

5:45 PM

Me

Won't be related to McCabe employment timing.

5:46 PM

Sean Hannity

Understand.

5:48 PM

Me

Btw I know you didn't tonight but please don't reference hearing on the record anywhere. Thank you!!!

9:58 PM

Sean Hannity

??

10:02 PM

Me

My earlier text in which I said a hearing would be this week

10:03 PM

Sean Hannity

Never

10:03 PM

Sean Hannity

I heard it already happened

10:03 PM

Me

Btw great opening monologue tonight in general--always impressive the way you move through topics so clearly

10:04 PM

Sean Hannity

Thx. Trying. It's so unfair what's happening in the county

10:04 PM

Me

And it's going to get worse before it gets better. Important American people know what happened but that's going to be a painful process (IG reports etc)

10:05 PM

Sean Hannity

Worse for Trump? Geez. It's been 14 months of bullshit and HRC fixes a primary. Has an investigation fixed for her. Pays for Russian lies to fix the General election and they lie to Fisa judges. When do we get to that? Real evidence exists there.

10:14 PM

Me

No no I just mean the country is going to have to go through more turmoil as the wrongdoing is presumably exposed in the IG reports.

10:16 PM

Sean Hannity

Thank u Comey Rosenstein and Mueller and his democratic donors he appointed

10:17 PM

Friday, March 16, 2018

Sean Hannity

What time is the firing and will the AG speak?

1:04 PM

Sean Hannity

Can u pls call?

1:15 PM

Sean Hannity

Is there a reason you are ignoring me?

2:58 PM

Me

Sorry! Not ignoring. Just missed this. I can't discuss specific personnel issues. Not sure if we'll have any breaking news tonight or not. Should know more fppo in two hours or so.

3:02 PM

Sean Hannity

What?

3:03 PM

Sean Hannity

It's not happens?

3:03 PM

Sean Hannity

Happening

3:03 PM

Sean Hannity

?

3:03 PM

Sean Hannity

Wow

3:04 PM

Me

I think you're misunderstanding. There's tomorrow.

3:04 PM

Sean Hannity

Bury it on a Saturday?

3:04 PM

Sean Hannity

Friday was bad enough

3:05 PM

Me

There's a process that has to be followed. It's not about the news cycle.

3:05 PM

Sean Hannity

How much time does one need?

3:05 PM

Me
A process for employee discipline has required length of time between certain actions for example. So it's not how much time we need. 3:06 PM

Me
Welcome to career employee protections! 3:06 PM

Sean Hannity
I honestly don't think you understand the overwhelming consensus opinion on how things have been and are being handled. 3:07 PM

Me
Then people can change the laws 3:07 PM

Me
But we aren't violating the law over here just to move faster to make people happy 3:08 PM

Sean Hannity
Look at all the laws broken. Years ago. No consequences 3:08 PM

Me
So then we get to ignore the laws too? 3:08 PM

Me
Absolutely not. 3:08 PM

Sean Hannity
Sarah. Did HRC violate 18 usc 793? 3:22 PM

Sean Hannity
If I deleted 33,000 subpoenaed emails, acid washed my hard drive and busted up devices with hammers would I be guilty of obstruction? 3:22 PM

Sean Hannity
You work at The DOJ, have you ever heard of a draft exoneration being drafted months before you interview the main people being investigated? 3:24 PM

Sean Hannity

Did we have 4 Fisa applications approved based on an unverified HRC bought and paid for dossier full of Russian lies?

3:25 PM

Is it illegal to purposely lie to Fisc?

Sean Hannity

Is there any evidence to date of DJT Russia collusion?

3:26 PM

Me

It doesn't justify breaking the law.

3:27 PM

Me

We have nothing left if we violate the laws under the guise of enforcing them.

3:27 PM

Me

So we follow the laws and the rules

3:28 PM

Sean Hannity

Sarah who mentioned breaking the law?

3:29 PM

Sean Hannity

Just the opposite. I want equal justice under the law

3:29 PM

Me

You want us to skip the process to fire someone

3:30 PM

Me

And I'm saying it doesn't work that way

3:30 PM

Sean Hannity

No. I want to know how it is possible that all of this evidence has been there the entire time and NOBODY seems to be enforcing the law.

3:31 PM

Me

I think this will all come out some day what happened here and I am confident in how we handled this when it does

3:35 PM

Sean Hannity

This is a tipping point for the country.

3:53 PM

Why a second special counsel has not happened is inexplicable to me

Sean Hannity

And many others

3:53 PM

Me

No question. And that frustration is well understood.

3:57 PM

Sean Hannity

How is possible Rod R appoints Mueller and he is involved in FISA renewal with "bulk" of data from phony dossier? Wouldn't that be a conflict?

3:59 PM

Sean Hannity

Will we have an answer on today or tomorrow?

4:51 PM

Sean Hannity

I have to adjust TV taping?

4:51 PM

Me

I understand but don't have an answer for you right now.

4:51 PM

Sean Hannity

Any timeframe? Will there be a definitely not today at some point?

4:52 PM

Me

Yes at some point I will call a lid.

4:52 PM

Sean Hannity

If u had to guess?

4:55 PM

Sean Hannity

Won't hold u to it

4:55 PM

Sean Hannity

I have to book a studio. I know "NOT your problem" but...

4:57 PM

Sean Hannity

Safe to say NOT today?

5:54 PM

Sean Hannity

5:54 PM

Me

5:54 PM

Sean Hannity
Pls ASAP 5:55 PM

Sean Hannity

I don't anticipate any press statements from my office by that point. 6:06 PM

Sean Hannity
Ok. Thank u!! I owe u 6:06 PM

Sean Hannity
You likely won't believe me. BUT you have no idea how much I have fought for AG. Or how hard. 6:10 PM

My criticism and pressure are designed to HELP.

Sean Hannity

Sean Hannity
Last question promise 6:23 PM

Sean Hannity
??? 6:23 PM

Me
I don't know yet. 6:23 PM

Sean Hannity

Ok. Pls tell me as soon as u know. I'm literally in a studio as we speak

6:26 PM

Sean Hannity

Drop dead time? Yes ? No? It's after 6:30

6:34 PM

Me

I will let you know when I have an update or call a lid for the night. Until then, I don't have any updates. Please stop asking.

6:36 PM

Sean Hannity

Ok

6:36 PM

Sean Hannity

Will never write again

6:47 PM

Me

Oh come on--don't be like that. I just can't do my job and keep updating you when I don't have updates.

6:59 PM

Me

I get that you're upset. But there is a legal process to discipline or terminate an employee. And there are legal rules barring me from discussing any specific personnel issue. And none of this is based on media timing. So that's why I get frustrated when you get frustrated with me over timing.

7:24 PM

Sean Hannity

I respect process and time. I explained earlier that we know so many crimes have been committed. We have known for a long time

7:31 PM

Me

After an extensive and fair investigation and according to Department of Justice procedure, the Department's Office of the Inspector General (OIG) provided its report on allegations of misconduct by Andrew McCabe to the FBI's Office of Professional Responsibility (OPR).

The FBI's OPR then reviewed the report and underlying documents and issued a disciplinary proposal recommending the dismissal of Mr. McCabe. Both the OIG and FBI OPR reports concluded that Mr. McCabe had made an unauthorized disclosure to the news media and lacked candor – including under oath – on multiple occasions.

9:58 PM

The FBI expects every employee to adhere to the highest standards of honesty, integrity, and accountability. As the OPR proposal stated, "all FBI employees know that lacking candor under oath results in dismissal and that our integrity is our brand."

Pursuant to Department Order 1202, and based on the report of the Inspector General, the findings of the FBI Office of Professional Responsibility, and the recommendation of the Department's senior career official, I have terminated the employment of Andrew McCabe effective immediately.

Sean Hannity

Thx

Sean Hannity

Hey.

Where is the tape of McCabe punching the air and yelling "fuck flynn, fuck Trump" or something along those lines? Didn't Adam Housley confirmed with DOJ that they had that tape right after trump took office. Is DOJ SITTING ON THE TAPE? Can it be released

8:44 PM

Me

I've only ever heard rumors of it but no one ever seems to know who would have it when you try to pin it down

8:44 PM

Me
 I've talked to Adam about it and he didn't ever say it had been confirmed to him --only the same rumor
 8:45 PM

Wednesday, March 28, 2018

Sean Hannity
 Ok. Thx.
 12:00AM

Thursday, March 29, 2018

Me
 My off the record take on this is we are announcing that there is someone doing the work of a special counsel without the title (and could still recommend the need for a special counsel), he has been reporting regularly to the AG, and he has been working since the Nov 13th letter. Huber was a Mike Lee pick btw. This is what Grassley recommended in his footnote 5 here: [https://www.judiciary.senate.gov/imo/media/doc/2018-03-15%20CEG%20LG%20JC%20TT%20to%20AG%20DAG%20\(Special%20Counsel\).pdf](https://www.judiciary.senate.gov/imo/media/doc/2018-03-15%20CEG%20LG%20JC%20TT%20to%20AG%20DAG%20(Special%20Counsel).pdf)
 6:33 PM

Also note that the IG can and does interview people outside the Department—which has been mischaracterized. Also he can make his findings public at the end—something that doesn't happen with a criminal investigation.

Sean Hannity
 I tweeted that benefit of the doubt and passed that message along. I understand

Question; Is this true?

9:37 PM

Sean Hannity

<https://s2.washingtonpost.com/5bb866/5ada6a85fe1ff668a04d672a/aGFubml0eUBhb2wuY29t/1/10/cd86ca1fc028ed5f3feddc106a3b511d>

9:37 PM

Me
First of all, should be pretty concerning that any private convo between the AG and WHC got leaked to wapo. Related to that, I won't be part of it. Secondly, it seems reasonable for the AG to call the WHC to discuss the need to be consulted if there are concerns about his deputy.

9:45 PM

Sean Hannity

Don't blame the messenger. A pretty serious story if true.

My understanding was the deputy met with the Potus last Thursday and said the Potus is not the target in either the NY probe, nor SC probe.

9:49 PM

Can you confirm if that is true?

Me
Definitely will defer to potus on what the dag told him. We don't discuss convos w potus. That's his call whether to share info.

9:49AM

Sean Hannity

U never heard this before

9:51 AM

Me

Nope

9:51 AM

Thursday, June 7, 2018

Sean Hannity

Why were the promised documents not handed over today?

8:35AM

Me

They were on the table for the last briefing

8:35AM

Me

So they had the opportunity to see them before

8:35AM

Me

(Despite reporting that they weren't)

8:36AM

Sean Hannity

The meeting where there was 40 minutes of fighting, and a briefing went on after?

8:37 AM

Me

No the gang of eight briefing two weeks ago on the hill

8:37 AM

Me

Kelly opened it up

8:37 AM

Me

The docs were available for them

8:38AM

Sean Hannity

Why can't congress have them

8:38AM

Me

Bear in mind nunes has had the opp to view docs before and chosen not to

8:38AM

Me
Including one he threatened to hold the dag in contempt for, we offered it in January, and to this day no one has come to look at it 8:39AM

Sean Hannity
So if I call now. U will show him today 8:39AM

Sean Hannity
Why short windows 8:40AM

Sean Hannity
Hand them over 8:40AM

Me
No we're letting mcconnel arrange everyone's schedule for the gang of 8 to meet again since they didn't choose to view the docs last time 8:40AM

Me
Mcconnel thinks that will happen Monday or Tuesday 8:40AM

Me
But ryan and others leaving this afternoon I was told 8:40AM

Sean Hannity
This material is not defined as gang of 8 material. 8:40AM

Sean Hannity
Why gang of 8. Let the committee investigators wrap this up 8:41AM

Me
Why aren't you upset with them for not viewing the docs when they were offered right in front of them? 8:42AM

Me
Doesn't that seem odd to you? 8:42AM

Me
The docs were on the hill 8:42AM

Me
Unlimited briefing 8:42AM

Me
And they left 8:42AM

Me
So they want another chance? Ok--we're offering to bring them again (and more!) in 3 business days. 8:43AM

Me
This doesn't seem crazy 8:43AM

Me
Plus the answers to the questions they asked 8:43AM

Me
So they can't wrap up if they still have questions we need to answer--which is fair--but we have to then answer those anyway. 8:44AM

Sean Hannity
Unredacted? Sure bury it on summit day? Are u kidding?
WHY WONT THE DOJ JUST HAND THEM OVER? 8:45AM
Let people have them.

Me
It wasn't summit day the last time we gave them to them in a senate scif 8:46AM

Me
They choose not to read them 8:46AM

Me
And we can't answer every question with documents 8:47AM

Me
They're the ones asking the questions 8:47AM

Me
We don't choose their questions 8:47AM

Sean Hannity
In that meeting after yelling and a briefing when was there a proper opportunity 8:47AM

Me
Our guys had no time constraints 8:48AM

Sean Hannity
Sarah. This is very simple. Why wont all subpoenaed documents be handed over 8:48AM

Me
They were! In a senate scif! 8:48AM

Me
Nobody asked to keep them there 8:48AM

Me
So our guys brought them back 8:48AM

Me
They've requested witnesses and documents we've all said yes to only to never actually want them 8:50AM

Me
They could have asked the docs stay, they could have asked our guys to stay or come back the next day with them again--but none of that happened 8:51AM

Me
So now they called and want to see them again--ok no big deal 8:51AM

Sean Hannity
Ok. To be frank, It sounds too cute by half. And it sounds like another obstruction to me. 8:52AM

On another subject. How many changes and redactions have been requested by DOJ to IG report

Me
We're happy to do that. But it's a lot of people's schedules and we don't do partisan briefings. So it's going to take a couple day. 8:52AM

Sean Hannity
I'd say the simple answer is hand over the documents 8:52AM

Me
So how do we answer the questions that aren't in documents? 8:53AM

Me
Or we just don't? 8:53AM

Sean Hannity
And will the Ag DAG be writing comments for IG report 8:53AM

Me
I spoke w the IG yesterday to check on the process 8:53AM

Sean Hannity
Interesting the day would be the day of the summit. That reeks of an attempt to bury news to me 8:53AM

Me
They can't talk about the news in those documents anyway 8:54AM

Me
It's classified 8:54AM

Me
So there's nothing to bury 8:54AM

Sean Hannity
DOJ has had it 2 weeks. How many changes and redactions are being requested by DOJ 8:54AM

Me
I can't talk about the IG report but I don't think you're going to be upset about any redactions 8:55AM

Sean Hannity
Is it classified for "National Security" reasons. Like the redaction that said Comey didn't think Flynn lied? There is now a trust issue 8:55AM

Me
I don't think you'll be upset about any classification issues 8:56AM

Sean Hannity
I hope the IG report will not be dumped or buried this weekend or next week during the summit.
After 18 long months that would be outrageous.
Also anything short of exposing crimes, obstruction and fixing an investigation would similarly be outrageous. 9:01 AM

Me
IG controls all of that--not us 9:01 AM

Sean Hannity
Ig picks release date independently? 9:03 AM

Me
Yep 9:04 AM

Me
And we don't get to change things in his report either 9:04 AM

Me
Like McCabe report, any response from a party is included in the end 9:04 AM

Me
Believe me, he reminds me of his independence every time I talk to him! 9:05 AM

Sean Hannity
Changes can be requested. Conclusions challenged. Redactions requested 9:05 AM

Sean Hannity
Comments add d 9:05 AM

Me
This is going to be the IGs report. We don't control his timing and are as anxious for it to get out there as you. Probably more. 9:06 AM

Me
Bc finally people will see why we fired/moved so many people at the FBI 9:07 AM

Me
And it's not just our word for it. 9:07 AM

Me
Why in the world would we want that to take 18 months! 9:07 AM

Me
We needed it out there 8 months ago!! 9:08 AM

Sean Hannity

Ok. But it now runs up vs a summer Friday and summit.

9:08AM

To me any release until after is an attempt to bury

Me

You'll have to take up the timing w the IG but it's not coming out tomorrow if that's what you're worried about

9:09AM

Sean Hannity

Ok. Hope it's as good as u think it is

9:09AM

Me

It's not that I actually think it's that good FYI-but I know we have ZERO interest in watering it down or redacting it

9:09AM

Me

And whatever the underlying conclusions are are the IGs alone

9:10AM

Sean Hannity

Then why the 2 week delay?

9:10AM

Me

Comey et al get a chance to review it. Same as McCabe did.

9:10AM

Sean Hannity

Ok will be interesting.

9:11 AM

Sean Hannity

Thank you

9:11 AM

Me

Enjoy the day!

9:11 AM

Sean Hannity

Last point. I am not sure if you fully understand the magnitude of palpable anger now among members. It's now about to boil over

Me

To give you some idea of how this works, I got my copy from the senate and not from the IG;)

4:54 PM

Sean Hannity

Thank you. Sarah I actually don't think you believe me, but everything I have been saying and reporting with an amazing team has been proven true.

This is now beyond dangerous to the country.

I do NOT understand how it's possible that people starting with HRC have not been held accountable.

I am just reflecting the lay of the land and facts in the public domain on all this. People have had it with what appears to be a massive double standard and the unprecedented abuse of power and corruption.

5:04 PM

And when the powerful tools of intelligence are used vs the American people, and Fisa courts are lied to, and obstruction so obvious as in the case of Clinton, and felonies committed that puts someone like Christian Saucier in jail but not the "elite political class" we are risking everything as it relates to the constitution and rule of law.

That's why getting this right matters. Frankly I'd rather be retired.

Me

Someday you and I will get a beer and I'll tell you what my job is really like. In the meantime, trust that I really am doing the best I can over here. 😊

5:20 PM

Sean Hannity

Love too. Steaks on me. And I'll be very honest. I've even said it on air.

I truly love the AG. I lobbied for him!! 1000% true!!!

5:22 PM

I don't understand why this is all happening as it is. I don't get it. It makes zero sense to me.

I want to be his biggest fan and supporter.

Sean Hannity

Does Ryan already have the documents? And Gowdy?

5:52 PM

Me

Which ones? They've been over to DOJ several times to view documents. The last time was the May 24 briefing at the senate scif where the docs were on the table but they didn't view them.

5:53 PM

Sean Hannity

The ones that were going to be shown today

5:54 PM

Me

No they wouldn't have those

5:54 PM

Me

That's the meeting McConnell is organizing for next week

5:54 PM

Sean Hannity

K. Thx. Oh and Del Frisco grille in DC amazing!!

5:55 PM

Me

But the docs they requested were at the last meeting and then the speaker had a specific question so we are bringing additional docs to support the answer to that.

April 24

5:56 PM

I'll get the date.

(b)(6)

As of tomorrow no text. No email

10:26 PM

Me
Just realize that while congress was pressing us to "give them the documents", this guy was the one in charge of holding them on the senate side

11:00 PM

Me
And these investigations aren't short

11:01 PM

Me
The indictment makes clear it's been since 2017

11:01 PM

Me
And we can't talk about investigations like this when they are going on

11:01 PM

Me
So we get hit in the press for not turning over documents to them and asking them to come to doj, and can't tell the press why. And now many months later we get to make an arrest. That's just sort of how the law enforcement side of these things work. It's a lot of waiting and getting criticized but *most of the time* were trying to do the right thing.

11:03 PM

Sean Hannity

Please send me as much information before 1 p tomorrow

11:03 PM

Me
Roger. Thanks for always listening, Sean. Good night!

11:06 PM

Sean Hannity

Don't forget Dels.

11:06 PM

Me
(Btw note that he's feeding all the leaks to liberal reporters w his version of events! It was so so bad!)

11:07 PM

Sean Hannity

U didn't respond to my feelings about the AG.

11:07 PM

I will add this

Sean Hannity

Listen this is a very very fine line.

11:07 PM

Sean Hannity

Leaks are atrocious

11:07 PM

Sean Hannity

And dangerous

11:08 PM

Sean Hannity

My point on AG.

11:08 PM

Me

Sean, I know you respect the AG and this isn't personal like this. You are trying to speak out on what you think is right! We all know that. This isn't a game for you or promotional.

11:08 PM

Me

We may disagree on some of it like how to get t the right outcome--but on the fundamental stuff I think we're on the same page.

11:09 PM

Sean Hannity

Sarah. NOBODY on this earth liked and admired him more than Mark Levin. When he lost Mark, you have to pay attention.

Mark was Ed Meese COS

11:09 PM

Me

I get that nobody is happy right now. But as tonight proves, we're playing the long game.

11:11 PM

Sean Hannity

You have to hear what I am hearing

11:11 PM

Sean Hannity

It's that bad. As I told the AG. Of course he has to follow procedures, the law—it's WHO HE IS. I KNOW THAT. But take for example HRC.

There is zero ambiguity about Felonies. Obstruction.

11:14 PM

I sadly believe this 18 month report will not come out and say that.

How do we reconcile Christian Saucier to this??

Enjoying the show tonight from the plane!

9:12 PM

Sean Hannity

So cool. Pls send my best. On my way to (b)(6) now. Going wheels up!!

9:15 PM

Me

It actually took us like a dozen shots to get it right. Ha! We aren't good photographers:)

9:18 PM

Sean Hannity

Lol. My best!!

Sean Hannity

Hey

2:18 PM

Sean Hannity

Hello

2:18 PM

Sean Hannity

Have a sec?

2:18 PM

Me

Hi--You bet!

2:19 PM

Sean Hannity

Can u call??

2:19 PM

Sean Hannity

What I was referring to.

2:57 PM

Sean Hannity

https://www.realclearpolitics.com/video/2018/08/03/gingrich_on_mueller_probe_sessions_could_should_intervene.html

2:57 PM

Me

He's not quite correct on this. Recusals apply to the investigation not just the eventual charges. The investigation is on Russian interference in the election. Here's the reg (basically says since he was a sr advisor to one of the campaigns, he's recused from any investigation involving it) :

3:32 PM

Me

<https://www.law.cornell.edu/cfr/text/28/45.2>

3:32 PM

Me

And here's the letter authorizing the investigation:

3:33 PM

Me

<https://www.documentcloud.org/documents/3726408-Rosenstein-letter-appointing-Mueller-special.html>

3:33 PM

Me

So the investigations that mueller hands off to other us attorneys offices, the Ag would not be recused from.

3:34 PM

Sean Hannity

Ok. Thx.

3:35 PM

Me

Talked to Boyd. He says HJC is coming over on Monday to view an email they've requested. But we don't have any requests about FISA 4. 30 members have seen it more or less unredacted and haven't raised any issues that I'm aware of. The email, I'm told, won't be interesting once they've seen it either. But who knows.

5:52 PM

Sean Hannity

Sarah I saw the AG's statement. 2 questions.

1- Does the AG believe that HRC violated the law with

A) Her private server with classified information on it.

B) Did she obstruct justice when 33,000 subpoenaed emails were erased, the hard drive erased and devices destroyed?

C) Is The AG concerned that HRC exoneration letter was being written in early May 16', by both Strzok and Comey, before 17 key witnesses were ever interviewed.

2- A) Does the AG believe FISA court Judges were lied to when the "bulk of information" (Grassley/Graham, Nunes memos) was the Steele Dossier, that was used to obtain FISC warrants on Carter Page. (Fraud perpetrated on the court)

B) Is the AG concerned that the applications did not reveal to the the FISC that HRC and the DNC had paid for the Steel Dossier?

C) Is the AG concerned that nobody had ever bothered to verify or independently corroborate the salacious contents of the dossier used in the FISA warrant applications.

(The people that signed off on them). Even Steel himself has testified that he did not know if the contents were true, that this was "raw intelligence"

Thx. Sean

1:40 PM

Sean Hannity

I start radio at 3 PM est. would you be able to call beforehand

1:49 PM

Me

You know he can't comment on any specific matters that might be under investigation. Sorry.

1:52 PM

Sean Hannity

Would you be able to tell me if they are not under investigation

1:52 PM

Sean Hannity

Can u talk for a minute?

1:53 PM

Me
If i did that, it could confirm an ongoing investigation. 1:53 PM

Sean Hannity
Doe have 2 minutes? 1:54 PM

Me
On phone--trying to get off 1:54 PM

Sean Hannity
K. I start production at 2:10. 1:58 PM

Tuesday, September 11, 2018

Sean Hannity
Do you know about anywhere from 7-9 other fisa applications and an email chain with Page and McCabe at and around the time of Page Fisa? 11:20 AM

Sean Hannity
E mail chain about other FISA warrants. At the same time as Carter Page.
Correspondence between Lisa Page and McCabe 11:21 AM

Me
I haven't heard about it. Let me go ask. 11:22 AM

Sean Hannity
Thx 11:22 AM

Me
Doesn't sound right. 11:48 AM

Sean Hannity
Last night new Strzok Page texts.
Why is it taking forever to get all of this material? 11:57 AM

Me
It all goes through a zillion layers of review--but in this case, congress was given those texts aug 6. So they waited over a month to share them w y'all. 11:58 AM

Me

We got them from the IG is early July. So about a month turnaround.

11:58AM

Sean Hannity

How much more is there

11:59AM

Sean Hannity

Why are the Fisa applications viewed as a National Security issue?

12:00 PM

Same with 302's and Gang of 8 ?
